## STAN'S SOAPBOX

Hi, Heroes!

What good's a Soapbox if it isn't used to tell you things you didn't know? I'll bet few of you were aware that mighty Marvel's sensational sister company across the sea, Marvel Comics U.K. (U.K. standing for United Kingdom, of course) has taken the once-staid British populace by storm with the creation of a pulse-pounding plethora of startling new super heroes, featured in England's own cosmic collection of costumed crusaders — the now-legendary best-seller — **OVERKILL!**

But, since few True Believers are able to fly to England each fortnight to pick up the latest editions, your big-hearted Bullpen has solved the problem for you! We've arranged to ship most of Marvel U.K.'s titanic new titles to your favorite comicbook stores in America! No longer shall we underprivileged colonials be deprived of the mother country's harvest

of heroes! And what a caravansary of cataclysmic characters they are! Just the brief listing of their titles should give you an inkling of the wonderment in store...

Zooming to the U.S. at the end of '92 you'll meet **DEATH'S HEAD II**, **MOTORMOUTH & KILLPOWER**, **THE KNIGHTS OF PENDRAGON**, **DIGITEK**, **BATTLE-TIDE** (the senses-staggering battle between Death's Head II and Killpower), **WARHEADS**, **DARK ANGEL**, **TEAM HELIX**, and **NIGHTRAVEN!**

But that's only the beginning of Britain's super hero invasion! Early in '93 don't miss the way-out wonderment of **MYSTECH WARS**, **DEATH RATTLE**, **SHADOW RIDERS**, **BLOOD SEED**, **GENE MACHINE**, **WILD THING**, **BLACK-AXE**, **SUPER SOLDIERS**, **GUN RUNNER**, **DEATH METAL**, and the mind-blasting mystery of — **PLASMER!**

Perhaps the most spectacular surprise of all is the fact that the entire kaboodle of British heroes meet, greet,

and interact with your own favorites from Marvel U.S.A.! So don't be surprised to see Wolverine and Sabretooth pop up in Battletide's limited-series, or to find Warheads, Mephisto and the Silver Surfer sharing the same adventures! As always, the Marvel Universe is one and inseparable, so anything happening anywhere affects all else in our ever-constant, ever-changing cosmos!

'Tis with happy heart and cheerful mien that I bid thee adieu, buoyed by the knowledge that the incalculable power of this month's Soapbox has insured that thou shalt not miss the triumphant entry of Marvel U.K.'s horde of heroes to our grand and grateful shores!

Excelsior!

Stan Lee

Everybody's doing it! No, we're not talking about hologram covers — we're talking about gettin' hitched. Takin' the plunge. Checkin' into the matrimonial institution. Doin' the marriage thing.

Lately there have been a rash of weddings among the editorial staff of Mighty Marvel — they've been popping up like zits on a New Warrior. Following in the footsteps of Reed and Sue ... Peter and Mary Jane ... Dr. Octopus and Aunt May ... many of our mighty Marveloids have decided to pursue lives of wedded bliss. Tying the knot is a big commitment — it's like when Hercules quits his job as a solo hero and becomes an Avenger.

One editor who is solo no longer is Associate Editor **Evan Skolnick**, who this past July said "I do" to his own British import, **Lynn White**, after a whirlwind three-month courtship. In addition to his recent nuptials, Evan was recently promoted to Associate Editor of such titles of **ORIGINAL GHOST RIDER** and **MARVEL YEAR IN REVIEW**. Sounds like he'll have quite a year of his own to review:

Evan's former boss, **Fabian Nicieza**, writer of **NOMAD**, last month gave up his life of wandering as he settled down and married his longtime sweetheart, **Tracey Lee**. It only took twelve years for Fabe to make that decision — that's one heck of a deadline! Fabe's brother, **Mariano**, of the Promotions Department, threw a blowout bachelor party for fabulous Fabe, which featured a special mega-entertaining sideshow of "The Lives and Time of Fabian." It was attended by many of the brightest and best guys (no girls allowed, natch) in the business.

Fabian's **NOMAD** editor **Glenn "Helium" Herdling** seems to have found religion. Not only is he writing **PARAGON** for our new religious comics line, but he also was made an honest man last month by his new bride, **Laura Eckhardt**. Glenn took his lady love up in a balloon, and popped the question — but not the balloon, fortunately. Glenn's proposal first appeared in comic book form in **WHAT IF #31**. Glenn presented Laura with a copy of the comic while up in the balloon, and she answered in the affirmative quicker than Tom DeFalco approving a new Thor series.

Still waiting for approval for that Quasar/Ren & Stimpy team-up is **Mark Gruenwald**, who also slipped the quantum band around the finger of his new bride, **Catherine Schuller**, last month. Performing at Mark's wedding was **WOLVERINE** writer **Larry Hama's** band, the **K-Otits!** Mark and Catherine's

wedding song was "One More Kiss," from the movie *Blade Runner*. (Now if only we could make a replicant of Mark, we could get twice as much work out of him!)

Bullpen cartoonist **Rick Parker**, still basking in the success of his best-selling book with **Barry Dutter**, *Everything I Really Need to Know I Learned From Television*, also walked down the aisle last month with **BARBIE** writer **Lisa Trusiani** at a ceremony in Falmouth, Maine. The reception included a good old New England style clambake, and all the guests were treated to a cruise on lovely Casco Bay. Unfortunately, the Love Boat's Captain Stubing was unavailable to perform the wedding ceremony.

Sadly, Pin-Head of the Cenobites, doesn't do weddings, either. Pin-Head's boss,

**HELLRAISER** editor **Marcus McLaurin**, is used to seeing souls torn apart over in the pages of that mag. But MM will take part in the joining of two souls when he exchanges vows with his intended, **Janet Paes**, next May. Marcus proposed to Janet on the Sky Ride at Disneyworld last January. Surely this wedding will be an Epic event, though hopefully not a harrowing one. (Or are we Barkerizing up the wrong tree?)

Finally, we come to **HULK** editor **Bobbie Chase**, whose gamma-irradiated nuptials will be taking place next June. **Craig Kuneschik**, of the Direct Sales Department, proposed to Bobbie at the top of a mountain in St. Maartin while the two were on vacation. It is hoped that their union will bring Marvel's editorial and sales departments closer together, and bring even greater unity to the Marvel family. Surely it won't be long before Bobbie and Craig will have little *Midnight Sons and Daughters* of their own running around all over the place.

Warmest wedding wishes to all our newlyweds! And remember the lesson learned by Spider-Man not so long ago: With great weddings come great catering bills!
